Dear Dr. Ryback,

The seminar "Emotional Intelligence" that you did on Monday 29 oct. in Milan was very much appreciated by the people attending it at Assoservizi Group.
In particular, they appreciated your very good command of the subject and your competence in answering the numerous questions.
The presentation seemed to flow very well as the participants stayed involved and kept the interesting questions and comments coming.

It was a pity that the time was not longer, as so many seemed to enjoy the talk, especially your personal and humorous stories which kept everyone engaged throughout the presentation.

We hope you will remain a partner of STUDIOBASE as we contact Italian Business Schools and endeavor to arrange other seminars.

Sincerely,

GRUPPO STUDIO BASE
